o **Weekly Summary**

Completed first features of GUI, and got feedback from Dr. Othmane to continue development.

o **Past week accomplishments**

· John Koehn: Fixed an issue that was preventing the project from working on my computer. Wrote GUI Code to create different shapes and the logic behind them.

· Brandon Huegli: Attempted to figure out how to redesign the shapes in a way that will allow for proper resizing and text. Didn't go so well.

· Chiakang Hung: Look into zencart code

· Jordan Lawrence: Worked on GUI code and website

o **Pending issues**
